### ***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance: The claims 1-20, set forth in the claimed invention of 7/16/2001, are allowed. The prior art of record does not teach or suggest the claim limitations of "displaying a plurality of images representing corresponding data files on a display device using a first distance metric between each data file, redisplaying a portion of the images on the display device using a refined distance metric and performing at least one of retrieving, marking, and selecting at least one desired data file", in the method of visualizing and retrieving a data file from a set of data files, set forth in the base claim 1. Claims 2-20 are allowed for similar reasons set forth above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
